How do we collect Personal Information?

We use a variety of methods to collect Personal Information. We collect Personal Information directly from you with paper forms (for example, new account and other administrative forms), over the phone or through facsimile transmissions. We also collect Personal Information from our web site and through other electronic means. We collect some Personal Information through joint marketing programs where we offer a product or service through another financial institution. In some of these instances, you may be considered a customer of both entities.

Who has access to this Personal Information?

Generally, only the Companies' staff and certain companies working on the Companies' behalf have access to this Personal Information.

Those Working on Our Behalf

Depending on the product or service you select, there may be a number of third parties that will have access to your Personal Information since they are working on our behalf. This access is necessary because these third parties perform a task or provide administrative services for the product you seek or have purchased from us. If we do not share the Personal Information, we cannot provide you the product or service you requested. In certain cases, affiliates are the entities performing such services on our behalf.

When we share Personal Information with non-affiliated companies working on our behalf, we protect your Personal Information by requiring such companies to adopt our privacy policy or have a policy providing protection similar to ours.

Required Disclosures

Certain Personal Information may also be disclosed to third parties without your consent if disclosure is necessary to comply with: 1) legal processes; 2) to protect the rights, property, or personal safety of the Funds, their shareholders or the public; 3) as part of inspections or examinations conducted by our regulatory agencies; and 4) in other situations required by law.

Joint Marketing

In certain circumstances, the Companies may jointly market a product or service with another financial institution. In these circumstances, we have arranged to offer our products through these entities and their representatives or through electronic systems (for example, the Internet). The Companies may make other disclosures authorized by law.

Requested Disclosures

We will disclose your Personal Information if you request it to those persons that you designate. What are your options regarding corrections of Personal Information?

Generally, upon your written request, we will make available Personal Information for your review. Please note, Personal Information collected that relates to a disputed claim or legal proceeding will not be made available. If you notify us that the Personal Information is incorrect, we will review it and if we agree, correct our records. If we do not agree, you may submit a short comment, which we will include in future third party disclosures, if any occur, of Personal Information.
